

Panther Sentinel Rated "Excellent"

The Panther Sentinel received a rating of "excellent" for the first semester, according to a report received this week from the Associated Collegiate Press, University of Minnesota collegiate newspaper rating service.

The first class rating was the highest for the campus newspaper since 1954-55 when Hartnell's newspaper won "All-American" honors.

Four newspapers competing in the bi-weekly junior college classification with Hartnell received "All-American" award. Thirteen newspapers received

the same rating as the Sentinel, while 17 newspapers received lower ratings.

Makeup Praised

Newspapers were judged for coverage, content and physical appearance. Each of these categories were divided into sub-categories.

In the 10 sub-categories for appearance, the Sentinel received eight ratings of "excellent" and two ratings of "very good." Photography, printing, typography, headlines, front page make-up, and the nameplate were classed as "excellent."

"It is ironical," said Mr. George Abbott, staff advisor, "that the nameplate which ACP has criticized for several years should receive this rating. We entered the first semester papers in February, so the judges did not see our new nameplate."

Sports Rated Highly

Ralph Winter, first semester editor, and Wayne Umbertis, sports editor, were commended by Mr. Abbott for their contributions to the success of the newspaper. The sports page was rated "excellent" for coverage and writing.

Mr. Abbott said most of the faults in the newspaper can be corrected with two things—money and manpower. The first semester staff consisted of seven students, while the current staff numbers six students.

"This small staff," Mr. Abbott pointed out, "is already writing more material than our four pages can accommodate. For this reason, we cannot add some of the additional features which we know a college newspaper should have. Our budget will not support the additional pages."

Full staff members the first semester were Winter, Umbertis, Lynne Garcia, the present editor; Nancy Suurballe, Demetria Da-Aton and Dennis Lee. Mike Alioto, Jim Bartlett and Jim Bellah were in the introductory journalism class and wrote a few stories each week.

In addition, Jack Sandy contributed a column during part of the semester, while members of the publicity class, Judy Gehman and Sandra Lim, wrote occasional stories. Charles Wheelus was advertising manager and Pete Monighetti was staff photographer.

Hartnell's Choir And Madrigals Will Sing At San Juan May 25

The Hartnell college choir and the madrigal singers will give a concert at the Mission San Juan Bautista at 3:30 p.m. on May 25, Mr. Vahe Aslanian, choir director, announced this week.

They will perform three motetes, "In Ecclesiis," "O Jesu Mi Dulcissime," and "Jubilate Deo" by Giovanni Gabrielli. A special chorus of 32 selected voices from the choir will also do a Franz Schubert mass in G.

The college brass choir under the direction of Mr. Robert Lee will accompany the choir with Gabrielli's three motetes, while a string group from the community will accompany the singers of Schubert's mass in G.

The choir had its first concert from the sanctuary of the old mission church in 1954. According to Mr. Aslanian, its last performance at the mission marked the first time that a full choir had either performed or dedicated any musical program at the mission since the early nineteenth century.

Goat to Perform In May Production By College Group

Well, somebody finally got Mr. Hal Ulrici's goat!

Evelyn Strong contributed a registered La Mancha goat to Hartnell college which will fill the role of "Lady Astor" perfectly.

The goat, henceforth to be known as "Lady Astor," is now a regular member of the cast of "Tea House of the August Moon." During the period of rehearsals prior to the play she is being kept at Hartnell A and M.

The production of "Tea House of the August Moon" will be presented in the Hartnell college Little theater on May 22, 23 and 24.

State Problems To Be Discussed

California problems for the next decade will be the topics for the panel discussion in the student union Thursday noon.

Dr. Lionel Olsen has announced a panel consisting of Thomas Dunne, Salinas city manager; Assemblyman Alan Pattee of Salinas, Pattee's opponent for re-election, Saul Weingarten of Seaside, and State Senator Fred Farr of Monterey. Senator Farr's acceptance of the

Ten Students Being Honored

Elizabeth Everton, Laurietta Parsh, Janice Baird, Joan Blacklock, Jeannette Kirk, Joan Collier, Stanley Wood, George Whitney, Bill Loveless and Ruth Eldred will be initiated with the Delta Psi Omega, a national dramatic honor fraternity, at 7:30 p.m. today, in the Little theater, according to Mr. Hal Ulrici, drama director.

These students took examinations on history of drama, performed a scene from a play, and took oaths of memberships before gaining their memberships in the fraternity.

The initiation team will include: Mr. Ulrici, grand director; Carol Wood, stage manager; Marion Lewis, business manager, and Eugene Morgan, head usher.

A reception in the student union will follow the initiation.

Police Course Begins in Fall

A police school will be started at Hartnell next fall. Instructors for specialized courses will be peace officers from the Salinas area and the course will take two years, according to Mr. Stuart Dufour, Hartnell vice-president.

Applicants must pass a physical examination, a mental test and a psychology test. They must be of good character.

Special courses for the police students will include introduction to police work, introduction to criminal law, defense tactics, photography, investigative techniques, field practice—which will involve office work and problems in local peace law enforcement agencies—police recruitment.

(Continued on Page 2)

Four Nominated For Prom Queen

Four women were chosen as candidates for the prom queen by the men participating in the four spring sports.

They are Judie Fry, nominated by the golf team; Diane Collier, chosen by the tennis team; Ouita Martin,

selected by, the baseball team, and Kay Bourgerie, nominated by the track team.

The voting will take place the night of the prom, May 24, at the Aptos inn, when each person entering the dance will vote.

The winner will be announced at midnight after the votes are counted.

The bids for the prom are now on sale for \$7.50 per couple. There is room for 128 couples.

Mr. Aslanian Receives Fullbright Scholarship

Mr. Vahe Aslanian, Hartnell choir director, has received a Fulbright graduate scholarship to study musicology at the Conservatorio San Pietro a Majella in Naples, Italy, next year. A sabbatical leave has been approved by the board of trustees.

Mr. Aslanian will study choral conducting for six weeks at the Berkshire music center in Tanglewood, Mass., this summer before leaving New York by ocean liner for Perugia, Italy.

Mr. Aslanian has been preparing for study and travel in Italy for the past two years. He has studied Italian for two years

in the Carmel evening school and for the summer at the Monterey Institute of Foreign Studies.

His chief interest in Italy will be the sacred choral works of Leonardo Leo, 18th century composer of the Neapolitan school.

The Fulbright scholarship will cover Mr. Aslanian's living expenses for one academic year, plus transportation in the United States, to Italy and in Italy, as well as tuition, books and incidentals. He will have to pay the expenses of his wife and four children.

Broken Leg Keeps College Librarian At Home, Hospital

Miss Louella Wiens, head librarian, has returned to Hartnell after two weeks' absence because of a broken leg.

The accident occurred while Miss Wiens was skiing near Sonoma. She spent one week in the Sonoma hospital and one week at her sister's home in San Jose.

Becomes Stewardess

Carol Roberts, Hartnell student in 1954-55, is a stewardess with United air lines. She completed her training in April and is based at Idlewild airport in New York.

Chem Lab Fire Damage Slight

A fire in the chemistry laboratory damaged a small heater, other miscellaneous gear, and burned a hole in a table last Thursday.

The fire was discovered by Dr. Jerome Holmes early Thursday morning, and he put it out with a fire extinguisher. There was an experiment in progress and a heating bath caught fire. It is not known how the fire started, but could be related to the power shortage which occurred during the night.

The damage is covered by insurance.

EDITORIAL

RETURN YOUR LIBRARY BOOKS

The list of people to return books to the library seems to be growing. Now really, is it so hard to return a book on time? The average person should be able to read a book in two or three days' time.

If you need three or four weeks in which to read your book why don't you just buy it? After all, there are others using the library who would probably like to read the book and aren't so oblivious to other people's wants. It is not a majority of people who are not returning their books. It is a minority, and they are just giving the majority a headache.

Reference books should be returned as soon as possible. Keeping a reference book overdue for any unnecessary length of time is probably the rudest thing a student can possibly do to his fellow-student. After all, how would you like it?

Turner Pitches
Harts to 7-6 Win

Hartnell nine came from behind with two runs in the ninth inning on Wayne Ketcham's single to defeat the league-leading San Jose Jaguars, 7-6, here Friday.

The visitors took a 4-0 lead early on two singles and a home-run in the first inning and another homer in the fourth inning.

The locals retaliated with a run in the sixth on two hits and a jag error. A Frank Filice homerun in the eighth with one man on placed the Panthers in contention.

The winners collected nine hits including three by Ken Blanton and two each by Dave Castro, Ketcham and Filice. Hal Turner pitched the full game for Hartnell.

AAUW Offers
\$150 Grant

The American Association of University Women is offering a \$150 scholarship to any woman student who is planning to transfer to a four-year college, according to Miss June Handley. The scholarship will be presented at the AAUW luncheon on May 10.

The committee members of the AAUW scholarship committee are Mrs. Richard Mayfield, Mrs. William Crook, Mrs. Robert Huttenhoff, Miss Gertrude Waterman and Miss Handley.

Singers Tour
In Watsonville

The Hartnell college choir and madrigal singers will appear at Watsonville high school May 13 as part of their annual spring tour of the high schools in the area.

The choral groups appeared last Monday at the Northern California Junior College festival at San Jose State college where junior colleges from all over this area gather annually to perform at this festival.

In Washington Final
For Billiards Cup

Gus Anderson, who was Hartnell student body president for 1956-57, recently won the Oregon State college pocket billiards championship.

The win entitled him to attend the northwestern division playoffs in Pullman, Wash., where he won the title by defeating the University of Washington in the finals.

Ron Critchfield, former Hartnell athlete, who is also attending Oregon State college, accompanied Anderson to Pullman and coached him.

Student Wins
Art Scholarship

Clark Carpenter has been chosen to receive the \$100 scholarship given by the Art club.

This scholarship is awarded to art majors graduating from Hartnell and going on to a four-year college. The candidate for the scholarship must have a grade average of C or better and must submit a sample of his work to a committee of professional artists.

Carpenter plans to continue his study in the field of design at Chouinard's Art institute in Los Angeles next year.

Annual Field Trip
Taken by Class

The nature study classes visited the Morrison planetarium, Fleishhacker zoo, and the Stewart aquarium in San Francisco on their annual field trip recently.

Mr. W. J. Robinson, nature study instructor, accompanied the group.

Mr. Coulter Leads
Discussion Group

The first of a series of philosophic round table discussions was held May 1 in the home of Mr. Emil Ramos.

The topic was "Mathematical Aspects of Philosophy," which was led by Mr. Daniel Coulter, mathematics instructor.

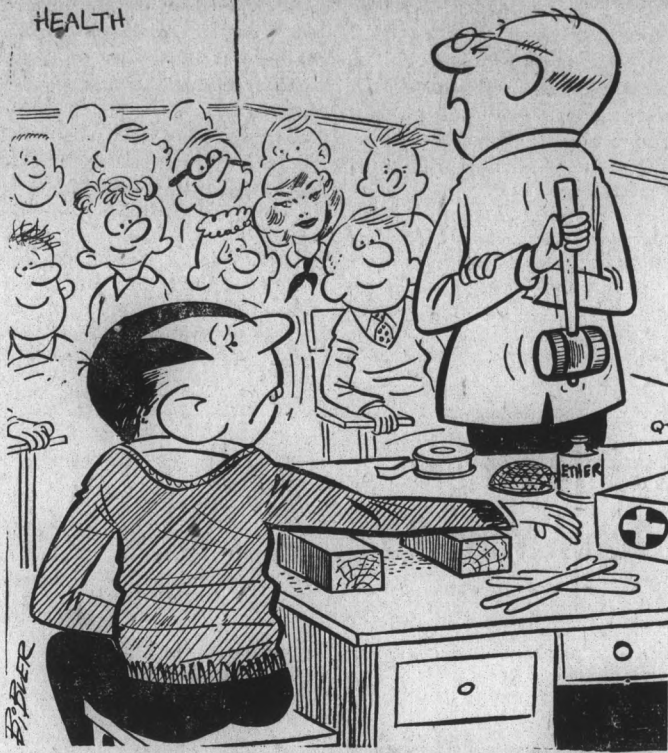

Billy Taylor is organizing these discussions.

Beck, Bjarnason
Prepare Tests

Dr. Richard Beck, head of the department of modern and classical languages at the University of North Dakota, cooperated with Dr. L. L. Bjarnason of the Hartnell faculty in the preparation of a U.S. army language proficiency test in Icelandic. The work was completed while Dr. Beck was in Salinas.

Dr. Beck and Dr. Bjarnason attended the annual meeting of the Scandinavian society at the University of California last week. Dr. Bjarnason was one of the speakers on the program.

New Courts
To Be Added

During the summer vacation three new basketball courts and three new volleyball courts will be constructed, according to Mr. G. Ed Adams, physical education instructor.

The new basketball courts will be on Alisal street between the men's gymnasium and the track just north of the trees.

The work on the new courts will be started after the college closes for the summer. The courts should be finished by next fall. The basket supports for the nets are being made by the A and M classes, Mr. Adams stated.

Bids For New
Library Asked
For June 10

Bids for the new library are being received this month, and will be opened on June 10, according to Mr. Stuart Dufour, vice-president.

Work will begin as soon as school is out and should be finished by September, 1959, Mr. Dufour said.

The new library will be built between the two wings of the main building on the west side of the college. The front of the building will face the inner court, not Alisal street, as was previously planned. There will be walkways from the main building and Alisal street and also a parking lot.

The present library will be converted into classroom space as soon as the new one is completed. The new library will be able to serve a college with an enrollment of 2,000.

Graduate Honored

Joanne Taylor, 1956 Hartnell graduate, has been named "Festival Queen" at Santa Barbara State college where she is majoring in physical education.

POLICE COURSE . . .

Hartnell Cindermen Squelch Rivals In Four-Way Track Meet

Hartnell's cinder squad posted 73½ points in the Monterey Peninsula college four-way meet Saturday to maintain its undisputed supremacy in the league.

Diablo Valley college ranked second with 51½ points, while Monterey and Vallejo scored 18 and seven points to stay in third and last places.

The Panthers won seven firsts, including a tie with Monterey in the high jump. Ron Ross and the host's Fuller did it at six feet even. Roger King came out second.

Don McDowell was first in the 100-yard dash in 9.9 with teammate Pete Burke coming in fourth, while Bob Cabanyog and Dick Hardy were first and second in the high hurdles. Cabanyog was clocked at 15.9.

McDowell again came first in the 220 in 21.5 and Bob Harrison, Jim Stireman and Hardy were first, third and fourth in the shotput event. Harrison's throw was good for 45 feet nine inches.

In the pole vault, Ivan Hartsell was first with 12 feet six inches. Cabanyog and Dion Smedley were second and fourth. Herb Naslund threw the discus 143 feet for first place with Stireman and Harrison placing third and fourth.

Bob Rackley ran second to Diablo's Kurtz who posted the time of 4:41.4 in the mile event.

Gene Deaver came out third in the 440 won by Pilcher of Diablo in 51.4.

Kennedy and Smedley placed third and fourth in the 880, stepped off in 1:59.9 by Vallejo's Howell. Don Bonino was next to Kurtz's 10:45 time in the two mile event.

Cabanyog was second and

Panthers Split Tennis Matches

The Hartnell tennis squad recorded a 1-1 mark, defeating the Menlo team by a 4-3 margin April 24 but reversing the win by a 3-4 score to the Diablo Valley netters April 26.

Against Menlo, Stewart Liem and Ralph Winter were winners in the individual matches, while the Tom Gomez-Winter and Larry Smith-Liem combinations were victors in the doubles matches.

In the Diablo Valley encounter, Winter and Edmund Lee came through in their singles matches. Smith and Liem teamed up for the Hartnell win in the doubles.

Elliott in First

An 18-point, 9-0 record places Charles Elliott's team in sole possession of first position in the intramural softball league.

Kay Bourgerie and company are second with a 7-3 mark. With a 4-5 slate, William Juster and his softballers are in third spot.

Teams captained by Diane Ross and Don Bonino are tied for fourth place with identical 3-5 margins, and a 1-9 showing finds Dion Smedley's hitters in the cellar.

Panthers Place Fifth In Small College Meet

The Panther track team scored 43½ points to emerge first among the Coast conference entries and fifth among 12 entries in the annual Hartnell small colleges track and field meet here April 26.

College of Sequoias ran off with 118½ points in the 14-game event to bag the general championship.

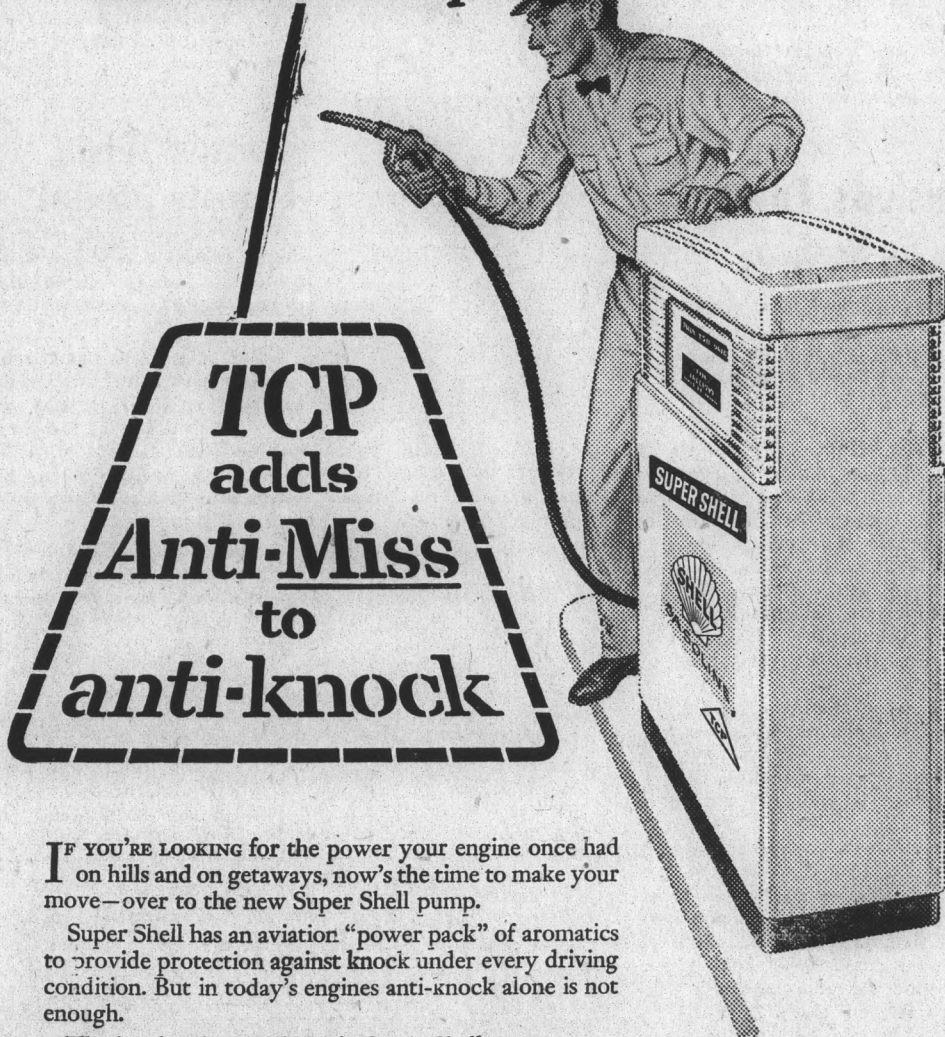

Fresno, Reedley and Taft settled for the second, third and fourth spots with 82, 55 and 47 points.

Diablo Valley college came through in sixth position with 37 points; San Jose State, seventh, 15, and Coalinga, eighth with 11½.

Other teams included Monterey Peninsula college in ninth place with nine points; Vallejo, tenth with eight; Menlo, eleventh with six, and Porterville twelfth with two.

Eight meet records in the high jump, shotput, 880 and 220 yards, 220 low hurdles, mile relay, pole vault and broad jump were toppled.

"Get rid of Spark Plug 'Miss'—
greatest cause of power loss.
Put your car next to the
New White Pump"

IF YOU'RE LOOKING for the power your engine once had on hills and on getaways, now's the time to make your move—over to the new Super Shell pump.

Super Shell has an aviation "power pack" of aromatics to provide protection against knock under every driving condition. But in today's engines anti-knock alone is not enough.

That's why there's TCP* in Super Shell to guarantee full power, by ending today's major cause of power loss, spark plug "miss." TCP additive does this by neutralizing harmful combustion deposits—and so restores as much as 30 lost horsepower.

What's more, Super Shell's aromatics provide extra combustion energy that converts automatically to extra miles in every tankful.

Switch to Super Shell with TCP today.

*Shell's Trademark for this unique gasoline additive developed by Shell Research.

The most powerful gasoline any car can use—Plus TCP for Anti-Miss

WAA Sponsors Sports Day Trip

Hartnell college has been invited to attend a coed sports day at San Jose City college on May 17, according to Mrs. Dorothy Middaugh, WAA advisor.

The activities will begin at 9 a.m. and will consist of badminton, coed; softball, for women only; bowling and tennis, both coed.

The WAA will sponsor the trip. The bus will leave at 7:45 a.m. and returns at 1:15 p.m. Interested students are asked to give their names to Mrs. Middaugh in the women's gymnasium.

Performance Held

Mr. Lorell McCann, violinist, and Dale Ramey, guitarist, performed at the final Friends of Music concert of the season recently.

Cindermen Defend Loop Championship

Favored to annex their second straight league track championship, the Hartnell Panthers journey to Concord for the Coast conference meet May 17.

The Panthers have run over league opposition in all their dual and triangular meets and should score an easy win. The Harts' field team overshadows everything in the league and the improvement of Don McDowell and Bob Cabanyog in the sprints and hurdles gives them the inside track to the championship.

Diablo Valley figures to give the Panthers the most trouble with San Jose a probable third place finisher. Menlo, Monterey and Vallejo are about equal and should fight for fourth place.

Ron Ross, Ivan Hartsell and McDowell are three top cindermen who will wear the maroon and gold for the last time in league competition.

Thinclads Enter Fresno Relays

The Hartnell Panthers invade Fresno tomorrow to take part in one of the outstanding track meets in California. Coach G. Ed Adams will enter his cindermen in the annual Fresno relays with expectancies of a good showing in the junior college division.

Possible point scorers in the meet are Don McDowell in the sprints, Ivan Hartsell in the pole vault, Ron Ross and Roger King in the high jump, and Bob Harrison in the shotput.

Colleges from all over the west coast will participate as well as various athletic clubs from some of the western cities. Top athletes from all over the United States are competing as free-lancers to provide more thrills.

College of Sequoias, recent winner of the small college relays, will field a strong team along with such traditional powers as Compton, San Francisco City college, and Bakersfield in the junior college competition.

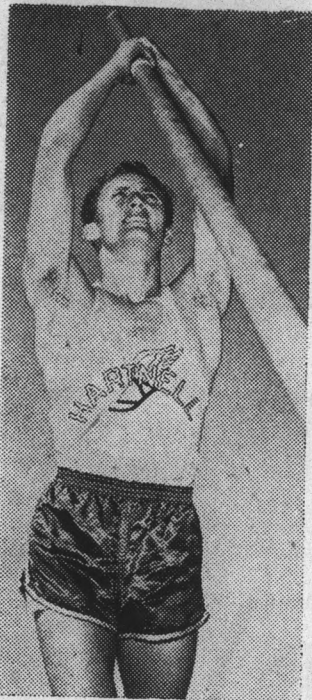

University of Southern California is the odds-on favorite to grab the college title but will receive stiff tests from University of California at Los Angeles, California and Stanford. Occidental also is strong in some events.

Up and Over

■ Ivan Hartsell, crack pole vaulter, is Hartnell's best bet for a first place in the Fresno relays this week end.

Attend Tourney

Mitzi Oka, Susan Foster, Ramona Insular, Donna Ponting, Donna Merlotti and Loretta Phelps represented Hartnell at the eighth annual tennis tournament at Modesto recently, according to Mrs. Dorothy Midgough, WAA advisor.

Miss Oka was runner-up in the consolation singles.

Sport Slants

By Wayne Umbertis

Northern California's speediest sprinter, Ray Norton will head for the Fresno relays tomorrow where he will compete against some of the top hundred yard dash men in the country. Norton who finally achieved competitive prominence when he edged Fresno's Mike Agostini a couple of weeks ago, will be fighting to become the top sprinter in the nation.

Sports fans are comparing the amazing San Jose State ace with a former Hartnell athlete, who at one time was acclaimed the world's fastest human. Hal Davis was the Panther lad who set the sports world buzzing when he ran the century in 9.3 seconds.

Norton's times have all been good, but it will be interesting to see if he has really come into his own and can answer the call of a champion. This week will be no breeze as he will face sprinters of top caliber in a race loaded with talent. If he survives this dash as winner, northern California will have a real performer to compare with sprinters from other sections of the country.

Gomez Wins Tennis Medal

Tom Gomez placed third in singles competition at the Coast conference singles and doubles championship matches at Vallejo Saturday.

Gomez won three matches before losing to Pete Edwards, the finalist from San Jose City college. Edwards lost in the finals to Randy Ellis of Menlo. Hartnell's Larry Smith lost to Edwards after defeating two other opponents.

Stewart Liem and Ralph Winter won one match each before being eliminated. Liem lost to the champion, Ellis.

The doubles teams of Gomez-Winter and Smith-Liem won two matches each before losing. Gomez and Winter lost to the champions, Ellis and Dave Whistler of Menlo. Smith and Liem were beaten by the second-place combo, Roger Snyder and Jim Cunnison of Diablo Valley.

Turner Will Pitch In Baseball Finale

Coach Jess Regli has nominated Hal Turner to hurl the final game of the season for his Panther crew at 3 p.m. today. The Panthers host Monterey to climax a dismal league season that has seen them win only two contests.

MPC Lobos Rally To Edge Harts

The visiting local nine lost to the Monterey Peninsula college team by a 4-3 mark Tuesday.

It was a scoreless game until the bottom of the fourth inning when Shortstop Aubrey Woods homered for Hartnell.

Monterey made a lone tally in the top of the fifth and seventh and another two in the last of the ninth frame to win the game.

Two runs in the bottom of the ninth, including a homerun by Nick Scurich, gave Hartnell a short-lived lead.

Losing hurler Hal Turner committed three of seven Hartnell errors but struck out six batters. Hartnell collected nine hits to the winner's four.

The Lobos and the Panthers will be facing each other for the third time this season with Monterey holding a non-loop win over the locals. Results of Tuesday's game are given elsewhere in today's Sentinel.

Coach Regli will probably start Nick Scurich at first base, Ken Blanton at second, Frank Filice at third base, Aubrey Woods at shortstop, and Dave Castro, Pasquale Greco and Nelson Foreman in the outfield.

Golfers Defeated By Menlo Diggers

The Hartnell tee squad came out second best against the Menlo Oaks, 7-8 and 6½-8½, April 29 and Friday.

In the first encounter, Don Hiura and Ron Leonti contributed three points apiece with Dick Smith tallying one.

Smith scored three points, Leonti 1½, Hiura one, and John Ables and Gary Salustro one-half point each in the second game.

Know the answer?

What's an eight-letter word which reminds you of good taste, sparkle, lift? The answer's easy—Coca-Cola of course. No puzzle about why it's so popular... no other sparkling drink gives you so much good taste, so much satisfaction. Yes, when you're looking for refreshment, the answer's always Coke!
